

...to follow Luther's footsteps: Scripture Alone, Faith Alone, Grace Alone!

10th Anniversary

As of last Saturday, May 21 it has been ten years since we left our home, our friends and our church in St. Petersburg, Florida to arrived in Wiesbaden, Germany. We never thought that we would be here this long... We never thought that the Lord would do so much in our new home town... When we began a Bible study in our living room with a handful of people, we never thought that it would grow into a church with over onehundred people in attendance every Sunday and around 35 mostly young people helping on a regular basis... When we began a Sunday school for our two kids and the children of two other families, we never thought that it would one day grow into three groups with a total of almost 30 children from age two to twelve - with our oldest Anja being a sweet helper for the littelest ones...

The Lord has blessed us greatly and continues to show us so much undeserved favor - GRACE - to serve Him by loving and teaching the people He brings into our fellowship. It is not easy... but we are so thankful for what He did for us - giving His life for our sins on that cross two thousand years ago - that we want to share this gift with as many as possiple. Thank YOU for your interest and support of our ministry through your prayers and financial gifts!

What is new? We are trying this new communications medium to be able to give you smaller updates faster and more regularly. We hope that you will stay connected with us!

Blessings from Germany, Ron, Uli, Anja & Alex
